### **Mayor to Hold Quarterly Town Hall Meetings**

To better inform citizens and answer questions, Mayor Chip Coleman announced that he will begin hosting quarterly Town Hall Meetings starting this summer.

The first hour-long meeting will be held in the community room at the Culpeper Police Department at 740 Old Brandy Road, at 7 p.m., Monday, June 3.

At that meeting, Public Works Director Jim Hoy will provide an update on the progress of the planned \$10 million Inner Loop road project that will run from North Main Street to Virginia Avenue.

Following the presentation, staff and the mayor will answer questions from those in attendance.

“This is just another way to reach out to our citizens to explain what town government is doing to increase the quality of life and provide core services,” said Mayor Coleman. “It also is an opportunity for citizens ask questions and get answers.”

Other quarterly meetings will be set in the future, with tentative dates set this year in September, December and March 2014.
